104 – Good Practice Examples

- Mixed stands against climate change.

LIFE MixForChange

Forest typologies

Holm oaks: 25 ha / 5 sites
(*Quercus ilex subsp. ilex*)

Chestnuts: 21 ha / 12 sites
(*Castanea sativa*)

Oaks: 11 ha / 4 sites
(*Q. pubescens, Q. petraea, Q. canariensis*)

Pines: 20 ha / 4 sites
(*P. pinea*)

IO4 – Good Practice Examples

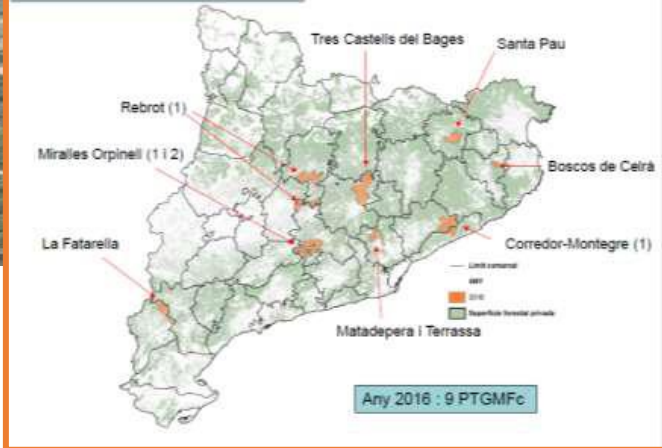

- **Joint Forestry Management Plan.**
